

Operation Good Neighbor Hurricane Katrina Relief Effort

Lower Providence Township extended Operation Good Neighbor, the Hurricane Katrina Relief effort. We will continue to collect food, water, cleaning products and sanitary items until Friday September 30th. We've been asked to not send any more clothing products at this time. We appreciate all that have been donated already.

Items may be dropped off at the township Monday through Sunday from 8:30AM to 4:00PM. Follow the signs to the driveway by the barn. The items being collected are:

Granola bars, energy bars	Bottled water	Canned meals
Peanut butter	Crackers	Sanitary Items
Baby Formula	Diapers	Toilet Paper
Tooth Brush	Toothpaste	Bleach
Mops	Brooms	

The Katrina Relief donations are going to the following towns in Mississippi, De Lisle, Cuevas, DeDeaux, and Pineville. All of these locations are around Gulfport and Biloxi.

Thank you for your continued support!
