### BOCCE COURTS

Lower Providence Township Department of Parks and Recreation is excited to announce a new amenity to our parks. The Township has constructed two 12 x 60 bocce courts located in Eagleville Park across from the Sewer Authority building. The court surface is a synthetic turf specifically designed for the game of bocce, which allows for a smoother, more accurate roll. The turf is surrounded by pressure treated wood intended to keep the bocce balls in play. The site has a shaded picnic area with grills and tables for all to enjoy.

These courts are open to the public for recreational play and leagues will be starting early fall. For more information about leagues or renting equipment, please contact Lower Providence Township; 610-539-8020 ext. 124.

For more information on the game of bocce and rules for the game, please visit [www.bocce.com](http://www.bocce.com).
