IMMEDIATE RELEASE

Burning Ban Issued

LOWER PROVIDENCE TOWNSHIP (*July 8, 2010*) - In the interest of public safety and protection of property, effective immediately, the Lower Providence Township Emergency Management Coordinator/Fire Marshal declared a ban on all outside burning for Lower Providence Township. This includes open burning and burning in containers.

The Bureau of Forestry classified the fire danger as “Very High” due to low precipitation and dry conditions. The National Weather Service has issued a “Red Flag Warning” meaning that critical fire weather conditions are either occurring now or will shortly.

The Emergency Management Coordinator/Fire Marshal is asking for the public’s compliance with this ban until further notice. Anyone found in violation may be subject to legal action.

Any questions concerning this ban may be directed to the Emergency Management Coordinator/Fire Marshal at the Lower Providence Township Police Department, (610) 539-5900.
