Dear Mr. Dunbar:

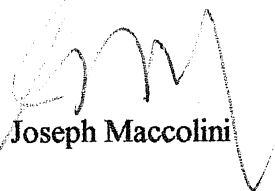

On behalf of the Patrician Society Board of Directors, our staff, volunteers and patrons, I thank you and the residents of Lower Providence Township for your collection of winter coats which have been distributed among verifiably needy families who live in the greater Norristown area.

In our operation of the largest emergency food cupboard in Montgomery County, we serve nearly 1,100 different disadvantaged families all through the year and we strive to maximize the resources contributed by many donors. Whenever possible, in addition to food, we also provide assistance for individuals with other basic human needs including clothing, heating oil, furniture and uninsured medical expenses. Additionally, our children's summer camp will open in July for its 27th season.

In our quarter-century as a private nonprofit agency, we have been dependent upon the kindness of many schools, churches, fraternal organizations, friends, businesses, scout groups, and families. We continue to rely upon the good will and service provided by our neighbors. Your kindness in makes a real difference in our being able to provide for needy families.

With best wishes to all, I am

Sincerely,

Joseph Maccolini
