Water Main Break

LOWER PROVIDENCE TOWNSHIP (*September 27, 2007*) - Contractors working on Longspur Road broke a water main late Wednesday afternoon, Sept. 26, 2007, interrupting service to approximately 32 customers. The Township was notified of the incident Wednesday night when water company officials reported that they had contacted the affected customers and restored water service by 9 p.m.

Audubon Water Company has issued a 24-hour drinking water advisory for those residents who were without water. The water company is asking residents to boil their water before consumption for 24 hours from the time service was restored. For more information, contact Audubon Water Company, 610-630-1200.
