

25 YEARS AND GOING STRONG...

Metropolitan Veterinary Associates, celebrating its 25th year in business in Lower Providence Township, was recognized by the Board of Supervisors on October 6. The specialty and emergency pet care practice has grown steadily over the years, currently occupying a state-of-the art facility at 2626 Van Buren Avenue in Park Pointe at Lower Providence. Shown are, from left, William Roth, Director of Technology and Special Projects for the Township; Stacey Connell, MVA Operations Coordinator; Dr. James Dougherty, MVA owner; Board of Supervisors Chairman Rick Brown; and Julie Banyacski, MVA Practice Manager.
