Dear Sewer Authority Customer:

This letter is to advise you of an increase in sewer rental charges that will become effective on April 1, 2011. There will be a \$2.75 quarterly increase for residential customers that will appear in your July 1 2011, bill which will result in a flat rate fee of \$72.00 per quarter. Non-residential customers may see more of an increase depending on their water usage.

This increase is necessary to offset a significant increase in our cost to treat sewage at the Oaks Waste Water Treatment Plant operated by the Lower Perkiomen Valley Regional Sewer Authority (LPVRS). In January, 2011, LPVRS increased the amount we pay for sewage treatment by \$11.00 per unit (EDU) per year. Overall, this increased our budget for treatment alone by over \$130,000. Therefore, the Sewer Authority must now increase sewage rental rates in order to pay for the increasing cost of treatment.

When paying your sewer rental bill please make checks payable to **LPTSA**. You may pay in person (8:30 AM to 4:30 PM) or mail to LPTSA, 100 Parklane Drive, Eagleville, PA 19403. We accept cash or checks, including online banking checks. We also maintain a lock box outside the office door for after hour's payments.

If you have any questions, please contact the office at 610-539-6161.

Sincerely,

LOWER PROVIDENCE TOWNSHIP SEWER AUTHORITY

Thomas J. Cicippio
System Superintendent
