WELCOME!

The Lower Providence Township Board of Supervisors and staff would like to welcome you to Lower Providence Township. We are extremely proud of our community and are confident that you will find it to be caring and responsive to your needs.

Lower Providence Township encompasses 14.77 square miles and includes the geographic areas of Audubon, Collegeville, Trooper, Eagleville, Yerkes, and Evansburg. From these villages has grown a community joined in a commitment to preserving open space and providing a safe, productive and prosperous environment in which to reside, raise a family and conduct business.

The Township maintains many parks for both active and passive recreation, and the Montgomery County trail system, Valley Forge National Historical Park and Evansburg State Park are readily accessible to you. They provide a wide variety of recreational activities, including hiking, picnicking, biking, fishing and horseback riding.

The award-winning Methacton School District provides extraordinary educational opportunities for Township residents. Woodland Elementary, Eagleville Elementary, Audubon Elementary, Arrowhead Elementary and Arcola Intermediate School are all located within the Township.

Enclosed we've provided information that we hope you'll find helpful as you settle into your new home and surroundings. If we can be of service to you, please stop in to speak with us at the Township Building, 100 Parklane Drive in Eagleville, or call us at 610-539-8020.
