

Would you like to increase exposure for your business while supporting your community?

I'm pleased to share information about upcoming events in Lower Providence Township and how your business can be a sponsor of these exciting events. The Township's Parks and Recreation Department hosts these special events that are free to community members thanks to the generosity and support of business like yours.

We would hope to partner with your business to continue these cherished traditions in our Township. Sponsorships provide incredible exposure and marketing opportunities for local businesses, and they also enable your business to get involved in the community and become a familiar presence to our families.

Please see the attached list of sponsorship opportunities, including the benefits that come with each level. If you would like to participate as a sponsor, please complete the form below and send it with your pledged sponsorship monies **no later than June 9, 2023**.

Thank you for considering a partnership with Lower Providence Township. I would be more than happy to answer any questions you have or discuss sponsorship opportunities with you. Please feel free to contact me at (610) 635-3524 or via email at jdelaney@lowerprovidence.org.
